Sub. : Free availability of Anti Virus software for the entire institute

This has been observed that Deptts./ Centres/ Sections are purchasing Anti Virus Software from different vendors inspite of the fact that the Computer Service Center (CSC) has a campus agreement with Microsoft under which Microsoft Forefront Client Security (Antivirus) is available to all faculty, staff & students of IITD. This agreement gets renewed every year.

All departments are advised to download the antivirus software from CSC website (http://www.cc.iitd.ernet.in/CSC/index.php?option=com_content&view=article&id=118&Itemid=140 or go to <http://www.cc.iitd.ernet.in/CSC/> and click on the Windows Software link from the left side options) and not to purchase any other Antivirus Software individually.
