STORE PURCHASE SECTION

Original Ref. No. IITD/SPS/2014/1380

Date: 10th July, 2014

Subject: Chemical Rate Contract Effective From 1st July, 2014 valid till 30th June, 2017.

IIT Delhi has shortlisted following 33 companies for supply of Chemicals to various laboratories on Rate Contract (RC) basis. The RC is initially **valid upto 30th June 2015**, which may be extended for two more years depending upon the performance of the firm and further negotiation of price. It is expected that necessary help from the computer service center (Web development unit) would be obtained for development of web-based system for RC of chemical where the request of the indenter will be first approved by Head or PI and then only the E-Order will be placed to the party. The proposed system should also be able to generate a monthly consolidated statement of all the chemical purchases from different vendors so that E-payment can be made to them immediately.

Till the computerization is not done the attached newly designed Form (Chemical Purchase Form) will be used as "C-form" for the same purpose. Kindly refer to SPS webpage of the Institute (http://sps.iitd.ac.in/sps_005.htm) to obtain details of the chemicals, price etc. All necessary information related to the rate contract is furnished below:
