Subject: Temporary exemption for Chemicals, Labware & Glassware purchase from GeM

This is to inform that based on the recommendation of the Chemical RC Committee, Competent Authority has granted temporary exemption for purchase of Chemicals, Labware & Glassware outside GeM.

Tender for Chemical, Labware & Glassware under Rate Contract is under way and expected to be finalized by the end of this year. In the intervening period (for next 2 months or till the tender is finalized, whichever is earlier), purchase of Chemical, Labware & Glassware may be done as per old purchase norms of the Institute.

Both the Accounts Section (Main A/c. & IRD A/c.) are to honour the bills/ invoices submitted by the faculty & researchers and process the same for payment/ reimbursement and not insist upon GeM purchase.

This is being issued with approval of the Competent Authority.

(Alan V. Sinate)
Asstt. Registrar (Stores)

Circulation (thrgh. e-mail):
1. PA to DDO
2. Chairman and all the members of Chemical RC
3. DR (A/cs.)
