- Pre-requisites for using the e-Procurement module of NIC
- Key features of the e-Procurement module of NIC - GePNIC
Central Public Procurement (CPP) Portal

- CPP Portal is the central source of procurement data for all Government of India entities.
- Developed by NIC, in response to the mandate from Department of Expenditure (DoE).
- To act as One Stop Shop for all Procurement related activities.
- Available at http://eprocure.gov.in
Mandate from DoE (OM dated 30/11/2011)

- “All Government of India bodies required to publish their tender enquiries, corrigenda thereon and details of bid awards on the CPP Portal using the e-Publishing module.
  - Ministries/Departments and their attached and subordinate offices - 01 January 2012
  - CPSEs - 01 February 2012
  - Autonomous / Statutory bodies - 01 April, 2012”

- “Applies to all Tender Enquiries, Requests for Proposals, Requests for Expressions of Interest, Notice for pre-Qualification, Empanelment, Registration or any other notice inviting bids or proposals in any form, issued on or after the dates indicated above, whether they are advertised, issued to limited number of parties or to a single party.”
All Government of India Ministries, Departments and their attached and subordinated offices to start **e-Procurement for tenders above INR 10 lakhs**

Phase-wise schedule, starting 30 May, 2012

Ministries / Departments may choose to implement NIC’s e-Procurement solution through CPP Portal or any other e-Procurement solution

Attached and subordinated offices to start e-Procurement within 6 months of the parent Ministry / Department
